**D**ear Club, Six months ago my sex life had hit an all time low. It had been five weeks since I'd been laid and I was getting pretty tired of just whacking off to dirty movies. I'm a fairly short, stocky guy and I never seemed to have much luck picking up women who were willing to go to bed with me.

I had stopped off in my local for a drink one Saturday night, more to drown my sorrows than from any expectation that I might get lucky, and after looking around at the customers watching TV, it appeared that my crap luck would hold. Even so, I ducked around the corner of the L-shaped bar and took a look at the dance floor, finding several couples and a small group of women, some dancing, but most of them seated at the scattered tables.

I pulled up one of the stools at the bar and ordered a drink. About half way through it, I gathered my courage and walked over to the nearest group of seated women, all of whom appeared to be in their late 20s or early 30s, and asked one if she would like to dance to the rock music blaring from the sound system. She accepted and we walked to the floor and began dancing. She was nice but obviously not all that interested in me and quickly went back to her drink when the song ended.

Feeling depressed made me reckless, and I asked another of the women to dance with me. She accepted just as the music changed to a slow number, so we slow danced

together, and to my surprise her body pressed against mine, giving me a raging hard-on. Feeling it, the woman looked into my eyes and asked if I'd like to take her home. When I said yes, she picked up her purse, told the others goodnight and we walked the short distance back home to my place. Her name was Alison and she didn't require much in the way of foreplay, she just made a beeline for my bedroom. By the time I got there, she was almost undressed. She propped herself in the middle of the bed, legs spread, ready and when my eight inch erection came into view, she whistled and said that she was ready to be fucked. I shagged her this way and that for nearly an hour, both of us having a complete ball. She gave me just a couple of minutes to recover before she rolled me onto my back

**“Alison moved back up and eased her cunt back down onto my even-harder cock.”**

and mounted my growing erection again.

The way she leaned back forced my recently-spent, half-deflated cock to press against her cunt, and the way she wiggled her arse heavily on my scrotum was exquisite. A few minutes of this and I was very hard again. She looked astonished and asked if I always got stiff again so quickly.

Then she abruptly leaned over to the night-table and dug into her purse. When she sat back, she had her mobile in her hand and was tapping in a phone number. After a few seconds of listening, she said “Hi. It's me. Did you get lucky?”

She listened a bit more and then said, “Too

pub?” she said. “You don’t mind giving them a sample, do you? They’re my best friends and we always share the good ones. Only there aren’t that many good ones around.” It took the women just a quarter of an hour to turn up at my door and ring the bell. Alison, who had cum off again on my dick in the meantime, jumped off me, saying “Wait for us,” and padded off to answer the door, still naked.

In less than a minute she was back, ushering the two women into my bedroom! It was absolutely fucking unreal. As she climbed back onto my legs, she held my cock like a trophy for the two newcomers to view. They “ooh’d” and “aah’d” for all of maybe five seconds, then they started stripping off, and in no time at all they had joined Alison and me on my bed.

I had everything a man could ask for: tits, pussy, ass, legs, wet mouths and grasping hands. It was surreal. But I wasn’t complaining! For over two hours I munched minge, fucked pussy, fondled tits and massaged arses and just let myself go wild with all three of them. The ladies seemed to love every minute of it, too!

I fucked Linda and Kelly until Alison insisted it was her turn again, and she rode me until I spunked before practically collapsing on my front.

That was the beginning of the massive change there has been in my sex life. It seems it’s not just me who’s always up for a fuck. For the next four or five weeks Alison, Kelly and Linda made a habit of meeting at my place around 8pm every Saturday and we would fuck our way through the night and sleep until mid-afternoon Sunday. During the rest of the week, one of them would sleep with me most nights, so that I spent almost no nights alone after our initial meeting. The Saturday sessions have tailed off a bit now, and I know that they’re still spending time at the bar, sometimes picking up other men, but I usually have one of them in my bed at night, so how can I complain?

about Judy?” Again there was a pause. This time she responded with a sigh and, “Well, look, tell her I said ‘sorry’, but I’ve got something I want you to see. Just hang on.” She moved her backside away from me until she was sitting on my ankles and held the phone in front of her. It was a fairly expensive one, with all the photo and video functions. Alison pointed it at my hard-on for a minute and then said, into the phone, “Are you getting this? What do you reckon?” I could hear the other end of the conversation now that the phone was away from her ear. A female voice said, “Wow! Was that as good as it looks?” Alison said, “Even better. And the incredible part is that I can’t make it go down. You two want some?” My ears pricked up as the voice said, “Of course. Do we look like idiots? Where are you?” She put her hand over the phone and asked me my address and whether it was alright to give it to her friends. Totally gobsmacked, I just said “Yeah.” Then she passed on my address and hung up. Alison moved back up and eased her cunt back down onto my even-harder cock. “You know the other two I was with in the

**S**unning herself by the pool, a warm summer breeze no doubt tickling her big nipples, we find Avy Scott, a beautiful, blonde bombshell who, as you might well have witnessed for yourselves, has been thrilling porn fans for almost a decade with her gorgeous curves and natural boobs.

Even though she's dipped in and out of the industry over the years, in the process earning herself a reputation for being a bit of an enigma, Avy has still managed to chalk up over 200 movies, and if anything her frequent breaks from the world of porn have meant that she's looking just as good today as she did when she kicked off her career back in 2001.

Indeed, Avy recently won the prestigious X-Rated

Critics Award for 'Best Cumback' after returning from yet another one of her hiatuses with a stream of sizzling performances, emphasising the fact that she's as gorgeous and up-for-it now as she's ever been.

But the question remains, what does Avy do on those random breaks from the industry? Well apparently she 'retired' without telling anybody in 2002, and on another occasion she left porn to study for a degree in Neuro Linguistic Programming. No, really... Who'd have thought such a swot would make a movie called *4 In The Pink, 4 In The Stink 3*? It takes all sorts...

When the next hiatus will be, no one really knows, but our advice is to enjoy Avy while you can, starting with this very sexy spread...

With our mouths open, starring like teenagers, Rikki could have run over our feet, and we probably would have just smiled on. So rev it up for Rikki! ♣

## Delicious

DVD £12.99

They say the way to a man's heart is through his stomach, well, by comparison, Sky's four-part melodrama has done just that and filled us up. Set against a beautiful Cornish backdrop that screams twee, we are submerged into a reoccurring love triangle between Michelin star chef and hotelier Leo (Ian Glen), his first wife and foodie compatriot Nina (Dawn French) and his second wife, the stunning Sam (Emilia Fox). Leo has it all but then, of course, it's gone, once Sam discovers he can't keep it in his trousers. The sex and scandal provide something to get your teeth into, as do the supporting characters in the form of Leo's daughter the anorexic Teresa (Tanya Reynolds), and his mother played by Shelia Hancock, who delivers some of the best lines. Fox and French have untied once again after 2013's *The Wrong Mans*, and offer two completely different women, whose temperaments happily bounce off one another as they fight and primarily bond over a sequence of events that leave the whole family in turmoil. Dan Sefton's script provides some well-tailored dialogue, and Jamie Cairney cinematography is deft and inviting. There's a lot of growing room for *Delicious* but it's darkly comic and ultimately a satisfying platter.

## Inferno

DVD £9.99, Blu-ray £14.99

We predicted a lot of running, riddles and picturesque scenery. We were right, as the location Florence provided endless high culture and the art history emphasis goes without saying. But Dan Brown's play on Renaissance symbolism isn't going to in truth, lead you down an educational path, you'll need the BBC's Januszczak for that. So putting that aside and you're left with a flimsy plot and some hollow characters. Both Tom Hanks (Dr Robert Langford) and Felicity Jones (Sienna) are wasted in their roles, as they battle to save half the world's population from biotech billionaire Bertrand Zobrist and his beliefs in a Black Death cull, but only after topping himself and leaving a paper trail. This is no Indiana Jones.

## Endeavour - Series Four

DVD £19.99

Well, gleeful appreciators of John Thaw's cantankerous detective will know it's the 30th anniversary of *Morse* this year. And paying tribute is series four of its prequel *Endeavour*, with more than a few nods to the original. With character and story lines woven into the youthful incarnation of Morse (Shaun Evans), you'll see some familiar faces such as James Lawrenson who appeared in the very first episode released in 1987. But putting this aside *Endeavour* seems to better itself with each new series, and this is no exception. With brilliant scripts written by the show's creator Russell Lewis, you can't help but immerse yourself in the mystery game as DI Fred Thursday (Roger Allam) and Morse race against time to catch a plaster cast killer. If you missed it on the box, then catch up now.

Today's on-the-go technology has given us access to the world 24/7, but what happens when your batteries are drained? I recently bore witness to this event as, one businessman had a total meltdown on the tube. I just wanted to pat him on the back and hand him the Veho Pebble Smartstick. Unfortunately, it was busy charging my iPhone at the time. The ultimate charging companion comes with a USB charging cable, three different charging connectors, carry pouch and the portable charger itself that boasts 3000mAh of battery, which is good for a small device. It takes up to 2 hours to re-charge, and is very reasonably priced. So treat yourself and avoid an embarrassing situation on the underground.

If you're of a certain age, a hoverboard will be synonymous with promises of a robotic future and cryogenic freezing. Now, although the Fenetic Drift Balance Board doesn't in real terms hover, it's probably as close as we're going to get in the twenty-teens. These are a whole heap of fun, just take a peek at youtube to see what you can get up to on them. Let's look at the product itself which comes with a, 36v 4.4Ah Lithium battery, 170mm tyres, and 350W brushless DC motor. Performance wise it has a 20km range on a full charge, a 360-degree turning circle, and has a max speed of 10m/h. You won't escape unscathed, but it's serious fun.

## Beat Solo 3

[www.beatsbydre.com](http://www.beatsbydre.com)

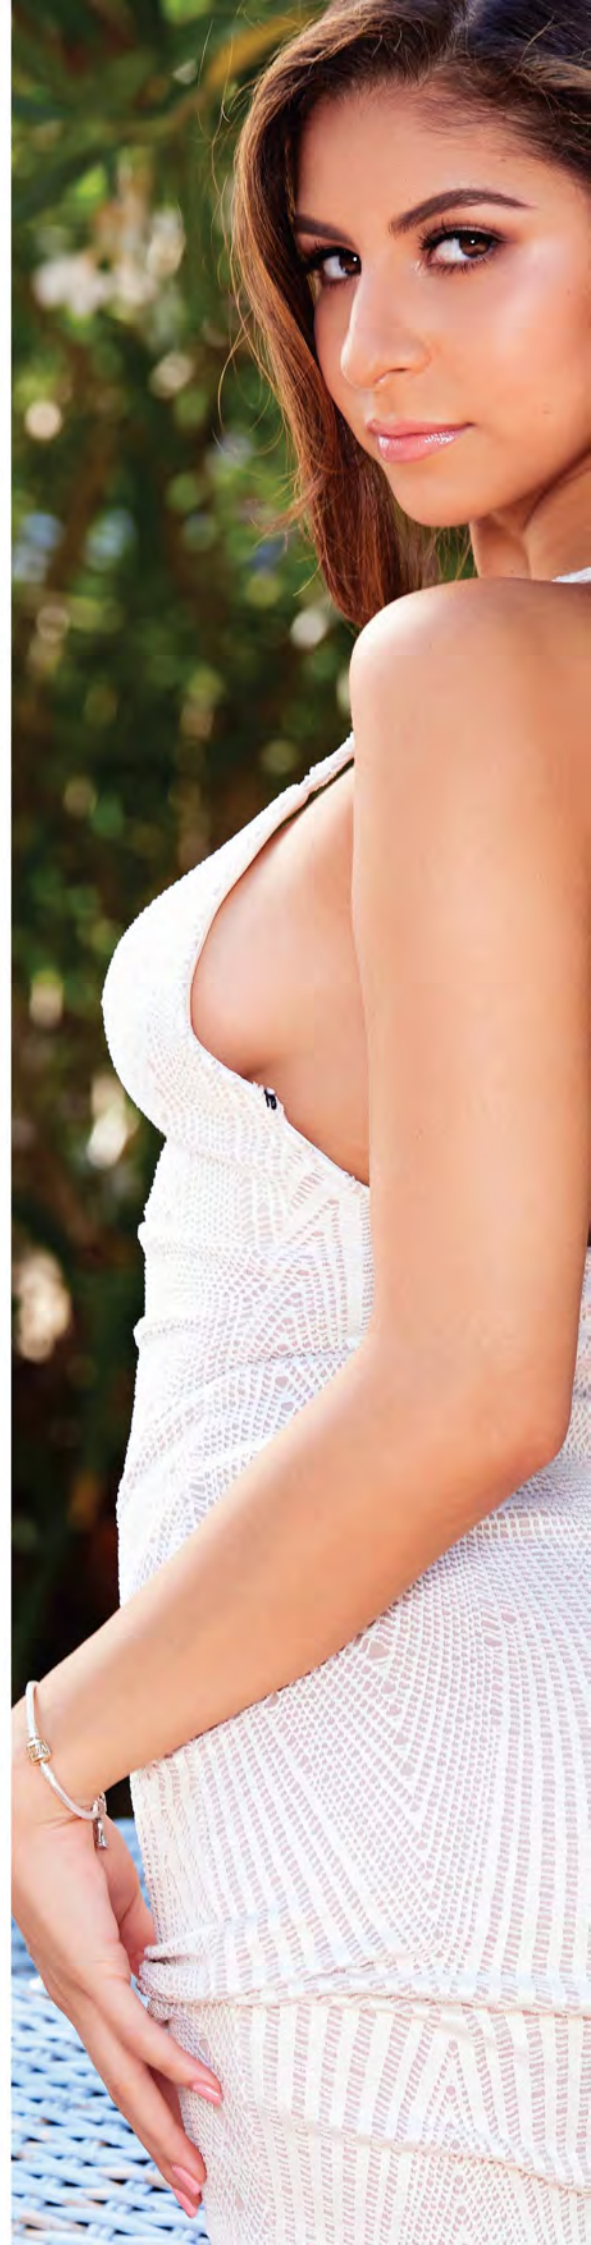

What more can Beats offer us? Well, after Apple declared war on wires during 2016, it would be wireless headphones at a guess. Which is where Beats' Solo 3 Wireless headphones come into play. The Apple-owned company has launched what is essentially the Solo 2 with an Apple wireless A1 chip embedded, but they don't disappoint. A snug fit keeps them secure; exterior noise is isolated well, and the controls are simple and direct. They will pair effortlessly with your device before you can even blink and actually stay paired, with their battery life, which is extensive, visible on your screen too. Sound wise, the Beats' signature is still there with emphasised bass but the overall sound is more controlled and finer, with a better range. If you're going wireless, then these headphones are ones to consider.

It has long been known that travellers are never truly lost if they can find the North Star. So when we travelled across the seas to the land of stars and stripes, we were guided by a Miss North, and the fact that our pricks were continually pointing towards the young lady like an internal GPS (who needs TomTom!). This 21-year-old is one fiery ball of desire, and Nina is well on her way to knowing it, as she glares unflinchingly at the lens and makes mincemeat of our sentiments towards her beauty. So we crack out the naughty talk, and Nina seems to prefer that as she giggles and bats back. A dark horse here we think.

## Stepmon Swap

Digital Playground

**Starring:** Aria Alexander, Ariella Ferrera, Chloe Carter, Julia Ann, Katie Morgan, Parker Swayze, Keiran Lee, Lucas Frost, Michael Vegas, Tyler Nixon and Van Wyld.

**Synopsis:** "Divorce was supposed to solve their problems. But when Katie and her ex-husband Keiran hit the dating scene they realize: more family, more problems! In this extended family game of musical beds, the sexy step-daughter, the horny moms, and the wicked wives are all somebody's exes... And everyone has daddy issues." Courtesy of Digital Playground

**Verdict:** When your parents split and re-marry, that's when things can get complicated, as extended families are

always a minefield. But it appears this lot have more than their fair share when it comes to sex and intrigue. We are thrown into scene one with stepmom Parker Swayze and stepson Van Wyld, who indulge in some 69ing possibly in order to get to know each other better. Which, Wyld defiantly does after pounding Parker in some sofa end action and spunking over her face. Now, that's just the start, as scene two commences with a blow-job tutorial from the MILF who has it all, Julia Ann in an

exhilarating three-way, that sees Aria Alexander enjoy some lady loving. But it appears there all at it as Aria's mum enjoys a ball bubbling shower fuck

with the boyfriend who can't satisfy her daughter, as he fills her good and proper. Juggling skills aside this is one hell of a circus that you should join for the ride.

## The Driver

Wicked

**Starring:** Harley Jade, Cassidy Klein, Jenna Sativa, Lauren Phillips, Charlotte Cross, Michael Vegas, Jay Smooth, and Lucas Frost.

**Synopsis:** After finally ending a toxic relationship, a night out with her girls is just what Margo needs. Unfortunately, Margo's friends all flake, leaving her alone with the car service driver. Luckily he is cute and they end up sharing an adventurous night that includes a lesbian tryst in the backseat of his car and a run in with her crazy ex-boyfriend.

**Verdict:** If only she hadn't forgotten that file, then the run in with her ex and the pearl necklace he ends up giving her wouldn't have happened. But then where would this film be. So in an attempt to rid herself of the memory of Evan, Margo submits to a girly night out on the tiles. Petty her friend can't keep her legs closed, blowing Margo out in the process. So the night commences with the help of driver

Mick who lets Margo in on the perks of ferrying people around, such as two girls getting fruity on the backseat. It's all going swimmingly until the ex-boyfriend shows up

at the same bar, entering into a bit of frisky play with his business partner in the secluded garden. But Margo gets her own back skillfully and ends up getting a bang from the driver. I hope he didn't leave the clock running.

## ON ME HEAD!

I divorced early during 2016, and still being in my mid-thirties I decided I was going to have some fun and get some serious shagging in. During the run up to the UEFA Euro 2016, I decided to try to repeat an adventure I had during France 1998, when I was very successful in getting to fuck girls from different countries that were taking part. I was of course older now and wasn't too hopeful of being that successful, but I thought it would be fun trying and I set about planning a trip to Paris (where I'd had my success last time round) during the group stages, hoping that being away from the local area would increase my chances.

I arrived in Paris in the early afternoon and headed straight for the hotel, where I was met at reception by a very attractive mature lady, who in a very seductive French accent explained that although my room was ready, there were no towels as they were still at laundry and would be available later that day. None of that really bothered me as I just wanted to drop my bag and head out for the Holland game that was due to start.

I went to an Irish pub that I knew in the area and was very pleased to see the pub seemed to have adopted Holland as its team throughout the World Cup. I had spent a lot of time with Dutch fans during France 98 and it was always great fun. I got a beer and joined about fifty fans on the terrace who, when finding out I was English, wanting Holland to do well and drank beer, adopted me as a

Dutch fan for the match and I was quickly given a Dutch hat and a horn so I could join in their rowdy celebrations.

Holland were soon beating Japan and I got chatting to a very cute girl, called Laila. She was in her early twenties, face painted with the Dutch flag on each cheek, a big Dutch hat on and a very tight top showing off a great pair of tits. As the game came to an end I tried to buy her a drink but she resisted, explaining her brother was at the bar and he could get funny about it. Instead, she arranged to meet me at another bar later that night. It was fine by me and I headed back to the hotel to get some much needed rest.

I must have fallen asleep in seconds and the next thing I knew was the attractive receptionist was apologising to me.

"Excuse me, Monsieur – I knocked but there was no answer." She was standing with the rooms towels looking at me laying on the bed naked, and it got worse as I had a hard-on. I must have been dreaming when she came in and seeing her staring at my cock was doing nothing to help relieve the stiffness!

I assured her all was fine and tried to engage her in conversation as she put the towels in the bathroom. Now I know Europeans are much more open about nakedness than us Brits but I could not help but notice that she had made no attempt to leave or indeed to ask me to cover up. She was happily chatting away and I learnt she was the new owner of the hotel, having bought it when she became a widow three years earlier. Her name was Sylvie.

I offered her my condolences and got on to

talking about how attractive she was, which she was clearly enjoying and then tried my luck. I was only there for one night so what did I have to lose?

"Tell me Sylvie," I said, looking straight into her eyes with my dick pointing at her, "I have been wondering since I arrived, are those stockings?"

She blushed a little, but nodded, and the exchange continued for a few minutes as I explained that few English girls now wear stockings. After a few more minutes of gentle persuasion, Sylvie agreed to a photo with the stockings on show as long as her face was not in the shot.

Now, I thought she was going to lift

her skirt to show me the tops but much to my delight she reached round and unzipped her skirt, letting it fall to reveal tan stockings attached to a white silk belt and matching

French knickers that were just slightly see-through, giving me the faintest hint of bush. She posed looking very elegant but also very horny. Sylvie was in her mid-forties, about 5ft 8in with long hair with a curl, very slim with full tits and bum and long shapely legs.

I took the picture quickly before she could change her mind and showed her to prove that I had kept her face out of it.

“Perfect!” she said. “Now would Monsieur like a picture without the blouse?” she asked while already undoing the buttons. Of course I did and she posed for me in several positions in her lovely lingerie before saying, “and now for me.” She took the camera and took a few shots of me with my dick standing proud. “Send

me them,” she said.

Sylvie then unclipped her bra and took down her knickers leaving on her heels and stockings and lay on the bed. “I have never had an English man,” she said.

I made sure I treated this lady properly – British honour was at stake! I started by kissing her thighs above her tops before slowly licking her very wet cunt, my tongue probing between her lips while my hand gently caressed her fulsome tits. She loved her nipples being touched and was soon breathing heavily and pushing her pussy into my face as she came hard, shaking as she did so.

I kissed up her tummy, allowing her time to recover, then kissing and sucking her breasts before moving into a 69 position, licking her clit again while pushing a finger between her

lips. She responded to the invitation and took my bulging dick in her mouth and we stayed locked in a 69 position until she came again. I thought I would end up fucking her missionary style but I was wrong. I stood at the bottom of the bed with her ankles on my shoulders while she laid back gasping and speaking in French while I fucked her with long hard strokes. The sight of her hairy fanny and lovely pussy lips, with my cock pounding away between them was absolutely fantastic, and I held out as long as I could before I pulled out and squirted thick jets of my seed up over her nicely rounded belly and pubes. After she left, I showered and got ready to meet Laila, who looked even prettier without her face paint and was in a very tight white top and no bra. The night was fun but she was resisting my best efforts to get my hands on her lovely tits, and once she'd confessed she was bisexual I was starting to think I was on a hiding to nothing, but then to my delight she asked me if I'd like to come back to hers. We took a slow walk to Laila's apartment, which was close to my hotel on the top floor of a five storey block. We went in and she kissed me for the first time. I responded and soon was feeling her lovely tits until she pushed me away. She called something out; I was wondering what was going on and then was shocked to see a stunning dark-haired girl come out of one of the bedrooms,

completely naked! She was called Yara and it turned she and Laila were a couple – but luckily for me they were a couple who weren't averse to a bit of threesome fun once in a while! Yara kissed Laila while she undressed her. Any thoughts of being tired were dismissed as I watched the two girls in their own lesbian show. Yara could really move and she danced around Laila, slowly undressing her until they were both naked and they lay on the floor in a glorious 69 with Laila on top. It was amazing to watch, and I soon had my cock out in my hand and ready for action! Then Laila told me to undress. I did and the show had made sure I was as hard as ever and both girls knelt before me sharing my cock in probably the best blow-job I have ever had. They really knew how to work my cock and despite my exploits with Sylvie, when I finally came I shot a big load all over their pretty faces. All three of us went to bed and although I did not get to fuck them we had a long

session of mutual wanking and oral, the highlights being Laila sucking me while Yara fucked her with a vibrator from behind and then Laila sitting on my face – she had a gorgeous tight cunt, while Yara played with my now near exhausted cock, but still managing to make it hard before taking my spunk in her mouth.

I finally got back to my hotel at 7am, and luckily someone other than Sylvie was working the desk!

When I checked out, Sylvie was there. I told her my train was back to London was at 5pm and she invited me for a late lunch at her apartment. Of course I went, and I rounded off my weekend with a long slow fuck before dashing for the train, exhausted but as happy as I could remember.

Naturally I was gutted that England crashed out so poorly but whatever happens next, this will always remain a very special tournament for me!

Andrew, Wales.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My man Paul is a hot guy, and heaven knows I'm proud to be seen with him. He's successful, owns his own house and has a flash car, which I love being driven about in. We intend to marry at the end of this year and my only reservation about committing myself to Paul is his best mate, Stuart.

Paul and Stuart are opposites. While Paul is always impeccably groomed and likes expensive clothing, Stuart doesn't care what he wears and often looks a little scruffy even when he's just got out of the shower! In fact, my problems with the wedding started the day I came over to straighten Paul's house up for a party and bumped into Stuart as he made his way naked from the bathroom back towards the guest-room.

I had supposed the house to be empty and it gave me quite a start to see him standing naked on the landing, grinning at the look of horror on my face. I felt mesmerised by his nudity, especially as he was shockingly well endowed! The fact is, Stuart had the biggest set of tackle I have ever seen, even on the porn DVDs that Paul and I sometimes watch to get us in the mood.

I could not take my eyes off it and Stuart did nothing to stop me. Instead he encouraged me to stare by getting a massive erection as he watched me try to stammer out some kind of apology for disturbing him. In the end he just laughed at my embarrassment, and joked that it was tricky to hide how pleased he was to see me.

His laugh was contagious, and, oddly, it didn't seem all that strange to be joking with Stuart in his friend's house. I had never before been tempted to cheat on Paul, and I certainly didn't set out to do it, but one part of me felt intensely excited at the thought of having it off with Paul's best mate. Paul had told me proudly of Stuart's notoriously naughty behaviour. Even so, I don't think Paul would have approved of what happened next...

It was one of those chance encounters where words are unnecessary. The attraction was mutual, magnetic and unavoidable. In moments, Stuart was removing my clothing, casting it on the

**“...releasing a flood of sticky pussy juice, which he lapped up with pleasure.”**

carpet as he backed me into the guest-room and we fell on the bed together. Stuart's hands were work-worn and callused, so unlike Paul's, which are manicured and soft. The raw energy of his seduction took my breath away and before I knew it I was naked and begging him to fuck me any way he chose. He opted to eat me first, pushing me back onto the satin quilt and pulling my naked thighs apart as he dived down to lick out my honey-pot. His tongue was thick and forceful and he pushed it right inside my pussy, delving deep for my pussy cream as he tongue-fucked me so close to orgasm that my toes curled with pleasure. Then, with one expert lick across my throbbing clitoris, my fiancé's friend triggered my climax, releasing a flood of sticky pussy juice, which he lapped up with pleasure. I was steaming hot, and my nipples and pussy were tingling and pulsing as I

“**My pussy throbbed as he splashed his load deep inside my rump..”**

writhed around on the bedspread. Stuart had just got started, and flipping me over he took me in doggie, sliding his massive cock right inside my well-lubricated cunt in one thrust. I closed my eyes, allowing my whole body to absorb the sensations of excitement which exploded through my groin as my pussy contracted around his throbbing member. My back arched and I drove my pussy back to meet his next thrust, driving it balls-deep inside me and making me moan as I savoured the full force of his thrust.

In and out he slammed his cock, fucking my hot pussy so hard I could barely remain in position as he drove me forward onto the pillows. I held onto them tight, wincing and gasping as he fucked me harder and harder, until I found myself squealing as

my second orgasm ripped through me. By then I couldn't care if Paul walked in or not. I was having the fuck of my life and enjoying every moment of it.

My pussy gripped his thick shaft, contracting and squeezing it in an attempt to milk him of every drop of his spunk, but Stuart was a stayer and held off. Rolling me over, he began kissing and sucking my nipples until I was squirming under him begging him to fuck me again and come inside me. I was desperate to feel his warm wet seed in me and began wanking his cock as hard as I could, pumping it furiously in my fist.

Teasingly, Stuart told me that the only way he would come inside me was if he was to do it up my arse. I was a little shocked for a moment, but I'd had anal sex a few times before and enjoyed it, plus I'd never been so horny. I squirmed a little as I agreed to it and when he requested I hold my legs up and apart so he could fuck my arse from the front I became even more excited. Up until then I had never tried anal in any other position than doggie and this way seemed much more intimate.

I sucked his cock for a while to get it lubed up before he jammed it into my tight bum. He started slowly at first, giving me time to adjust to his size. I gasped as he began to work up a rhythm, enjoying the new sensation until I felt him stiffen as he told me he was ready to come. My body tensed and my pussy throbbed as he splashed his load deep inside my rump, triggering my own orgasm as he filled my back passage with his thick warm come. Now I don't really know what to do – I could have a life of comfort with Paul, or one of rampant sex with Stuart. It's a tough decision, and I've only got three months left to make up my mind...

**PAULA** ♣

If we are to go on names alone, then Paula Shy's would infer she was on the wrong career path. But luckily for us, there's nothing in it, as you dear readers can see from this all angles set we have been treated too. Paula knows

exactly how to get our blood pumping, and wants us to gaze on her plump pussy lips with a hardening longing. Which is precisely what's occurring right now. Perhaps Paula should consider a name change by deed pole.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## 20 Million Peas!

We all think about putting a little aside for a rainy day, the old technique of tucking a few £100 away under the mattress seems to still be popular. But I'm not sure how well you'd sleep with 20 million dollars under you. A 28-year-old Brazilian has been arrested in connection with the alleged TelexFree pyramid scheme. Authorities followed the gentleman in question as he delivered \$2.2 million in a suitcase to a cooperating witness, before

tailing him back to an apartment where they found \$20 million hidden under a mattress. They believe the Brazilian was acting as a courier for the nephew of the TelexFree founder and has since been charged with conspiring to commit money laundering.

## Living the High Life!

It's been tweeted, Instagrammed and Facebooked. Stephen Fry even promoted the simple genesis in altering the world famous Hollywood sign to read

"Hollyweed". However, the alleged prankster Zachary Cole Fernandez has been apprehended, and booked on a misdemeanour for trespassing. Now released on bail, the 30-year-old artist trespassed on the Hollywood sign site in the early hours of New Years Day in order to hang tarps on the O's to make them look like E's. Fernandez allegedly said the prank was a cultural attempt to reframe the 2016 election in a positive light, as it was during the election that cannabis was legalised in California. The sign was not damaged, but security has since been tightened around the sign.

## You'd better bee-lieve it

Sheep rustling has been a prevalent pastime over the centuries, but things are on the turn and you could be in for a sting, as Texas thieves made off with \$90,000 worth of buzzy bees. One Danbury beekeeper Randy

Verhoek discovered that 300 of his honey-bee colonies had been swiped from a cattle ranch. Generally unattended during the winter months as they chomp through some of the honey they have produced during the summer. Randy's bee's like many others are shipped to California during the spring for Almond pollination before returning to Texas once they've done their job. A police report has been filed, but the suspects are still at large and probably enjoying a honey high.
